

CIWM® accredited in the UK

The Financial Services Skills Council (FSSC) has accredited the CIWM® as Key 2 qualification

The AIWM received confirmation from the FSSC on 28th May 2009 indicating that the CIWM® designation had met the appropriate examination standards for ApEx19 (Managing Investments).

Accordingly, the CIWM® designation would be listed as a Key 2 qualification on the appropriate examination list for the following activities:

Regulated activity/area	Exam List Activity Number	FSA TC Sourcebook Ref
Acting as a Broker Fund Advisor	10	TC 1.1.1R(10)
Managing investments	14	TC 1.1.1R(14)

Holders of the CIWM® designation will need to complete a UK regulation examination (Key 3) in order to meet the full examination requirements for the above activities. Suitable UK regulatory examinations are offered by the Securities and Investments Institute and the CFA Society of the UK.
